

## Market Approved TDSP Address Descriptors

These Unit Codes were established by the Texas Market to distinguish between multiple meter points at the same premise (multiple ESIs at the same Service Address). The codes in Table 1 are USPS compliant and would only have a Unit Number if applicable. The codes in Table 2 are not USPS compliant and are used as Unit Numbers in conjunction with a Unit Designator of "Unit" or "Lot".

**Table 1**

| Code | Code Description | Requires Unit # |
|------|------------------|-----------------|
| ANNX | Annex            |                 |
| APT  | Apartment        | Yes             |
| BARN | Barn             |                 |
| BLDG | Building         | Yes             |
| BSMT | Basement         |                 |
| CATV | CATV             |                 |
| CN   | Condominium      |                 |
| COT  | Cottage          |                 |
| DEPT | Department       | Yes             |
| EQRM | Equipment Room   |                 |
| FL   | Floor            | Yes             |
| FRNT | Front            |                 |
| GARG | Garage           |                 |
| HNGR | Hanger           |                 |
| HSE  | House Meter      |                 |
| LBBY | Lobby            |                 |
| LOT  | Lot              | Yes             |
| LOWR | Lower            |                 |
| MEZZ | Mezzanine        |                 |
| OFC  | Office           |                 |
| PH   | Penthouse        |                 |
| PIER | Pier             |                 |
| Rear | Rear             |                 |
| RM   | Room             | Yes             |
| SIDE | Side             |                 |
| SLIP | Slip             |                 |
| STE  | Suite            | Yes             |
| STLV | Street Level     |                 |
| STOP | Stop             |                 |
| TRLR | Trailer          |                 |
| TWNH | Townhome         |                 |
| UNIT | Unit             | Yes             |
| UPPR | Upper            |                 |
| VLT  | Vault            |                 |

**Table 2**

| Code | Code Description  |
|------|-------------------|
| BTH  | Booth             |
| DWST | Downstairs        |
| GRDL | Guardlight        |
| HLTS | House Lights      |
| LNDY | Laundry           |
| MMTR | Master Metered    |
| MTNC | Maintenance       |
| ODLT | Outdoor Lights    |
| PARK | Park              |
| PKNG | Parking           |
| POOL | Pool              |
| PUMP | Pump              |
| RSTR | Restrooms         |
| SEWR | Sewer             |
| SGNL | Signal            |
| SHOP | Shop              |
| SIGN | Sign              |
| SPRK | Sprinklers        |
| SQR  | Square            |
| STLG | Street Lights     |
